E.E.(Z).

These papers relate to the grant of t.a. to the officers and subordinates in the following Project Dns. and Sub-Dns., which are transferred from the late Project Circle to other Circles:-

1) The Building Project Dn. and the Sub-dns. thereunder.

2) The Designs Dn. and the Sub-dns. thereunder.

3) The Irrign.Projects Dn. (South) and the Sub-dns. thereunder.

4) The Ahmedabad Irrign.Dn. [formerly known as Irrign. Projects Dn. (North)] and the Sub-dns. thereunder.

5) The Road Projects Sub-Dn. in the Ahmednagar Dn.

6) The Road Projects Sub-Dn. in the Kaira Dn.

7) The Road Projects Sub-Dn., Bombay Suburban and Thana Dists. in the North Thana Dn.

The officers and subordinates in the above mentioned Dns. and Sub-dns. were allowed to draw ordinary t.a. and the C.Es. were asked to suggest suitable rates of p.t.a. or limits of monthly t.a. for them on the basis of the t. a. drawn by them during the period from April 1949 to Dece. 1949 - vide G. L. No.255/36-VIII-Z(I), dated the 4-11-1949.

2. The general rates of p.t.a. and the limits of t.a. sanctioned for the officers and subordinates (Overseers and Surveyors) in the normal Dns. and Sub-Dns. of this Deptt. are as under:-

Designation of Officer.	Rates of travelling allows.	
	Basic rate Rs. p.m.	Increased rates from the 1-5-49. Rs. p.m.

Ex. Engrs. of Dns.	150	225

3. It may be stated that the S.E., Karnatak Irrign. Circle, has furnished the information re: the travelling allce. drawn by the officers and subordinates in the Ghataprabha Left Bank Canal Dn. for sanctioning p.t.a. for them. The question of granting p.t.a. or t. a. to theese officers is also, therefore, considered in the following paras.

4. On the basis of the information furnished by the S.Es. it appeared that the rates of p.t.a. may be fixed only in the case of the officers mentioned below. The ordinary t.a. drawn by the other officers and subdtes. during the period for April 1949 to Dcer. 1949 is less than the p.t.a. and t.a. allowed to the officers of the corresponding grades in the normal charges. They may, therefore, be allowed to draw ordinary t.a. as admissible under the B.C.S.Rs., as suggested by the S.Es. for a further period of upto the 31-3-51 and the S.Es may be asked to review the position again and suggest suitable rates of p.t.a. or limits of t.a. for them on the basis of the t.a. drawn by them for the period from April to Dcer. 1950.

In the case of Soil Physicist i/c of the Soil Research Sub-Dn. mentioned at Serial No.12, it is for consideration whether, in view of the average of t.a. drawn by him, he may be granted a p.t.a. of Rs.225 p.m. (Rs.150 basic plus Rs. 75 temp. increase).
